Subject: Salem Display (Item #535220)

Dear Lori:

12XX has a remaining allocation of 244 of Item #535220 (Sal Nov B1G1F Display Kits). When we try to order these, the system tells us that the status is RESERVED. If possible please un-reserve this item so we can place orders. If you are unable to do so, let me know. This item will have to be removed from our allocation.

Thanks for your help. I hope you are doing fine and enjoying the job!

Margaret
